**DECLARATION OF Jochen ACKERMANN**

I, Jochen ACKERMANN, am the first-named inventor of the above-identified application which is the national phase of International PCT Application No. PCT/EP03/13060, filed November 21, 2003.

It has been brought to my attention that my last name was spelled incorrectly in the International publication due to an inadvertent error. Specifically, my last name was spelled "ACKERMAN." My true and correct name is Jochen ACKERMANN, which has been set forth on the Declaration, Power of Attorney and Petition filed herewith and on the PCT Request.

I declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
